

Membership Renewals

RENEW EARLY!

Thank you for supporting the Fort Frances Sportsmen's Club. Your membership renewal is due in _____. The exact date is on your membership card and also on the address label of the magazine *Ontario Out of Doors*.

Please mail your renewal to the club or drop it off at North American Lumber or Kitchen and Bath Plus, attention Henry Miller.

Our mailing date will be _____. **If you miss that mailing date and your membership expires before the next mailing near the end of the month, you will not have the benefits of OFAH, including the public liability eligibility. Also, you will not be a member of the Fort Frances Sportsmen's Club and may not use our facilities.**

If you renew after our mailing date you will be reinstated, not when you give our Club your renewal, but when the OFAH receives it from our Club after we mail it on _____.

Please realize if you renew through the OFAH and not through the Fort Frances Sportsmen's Club, you have none of the club's benefits, only OFAH's benefits.

See details pertaining to liability insurance on the reverse side.
